

Hurricane II

3-12" (76-305mm)

The Hurricane II is an all urethane pig designed to be lightweight and versatile. Strategically placed cups and discs make it possible for the Hurricane to navigate through restrictions in valves and pass through tees.

Size	A	B	C	D	Part #
3"	6.250	7.875	3.375	1.000	74-0285-03
4"	8.000	9.750	4.500	1.500	74-0285-04
6"	10.750	13.000	6.500	2.000	74-0285-06
8"	14.000	16.750	8.625	2.875	74-0285-08
10"	16.000	20.500	10.750	3.750	74-0285-10
12"	20.500	23.000	12.625	4.625	74-0285-12

*Part numbers shown are for 85 Durometer (62 and 72 also available)

Designed to negotiate 1.5D or greater bends.

Features & Benefits:

- Solid-cast urethane.
- Lightweight.
