

Other Accessories

Apache can manufacture Pig Sizing Rings to any customer supplied dimensions, quickly and cost effectively. Sizing Rings are used to slide over a worn used pipeline pig to be utilized as an indication that the pig needs to be replaced by the operator. These rings should not be used as a go-no-go and only part of the operators decision making process if the used pig needs to be discarded.

2" - 14" Sizing Rings

- No handles.

16" - 48" Sizing Rings

- Four (4) handles.
