

SCRAPER CUP

SC2A

3-4" (76-102mm)

The Series SCA cleaning pigs improve flow rate deficiencies in small gathering lines. The ability to negotiate sharp bends and the cleaning capability of the Series HDPE-PB brush make the SCA an efficient cleaning tool.

Size	A	B	C	Weight	Part #
3"	5.750	7.750	6.375	3.0	60300203
4"	5.875	8.375	4.375	5.0	60300204

Features:

The SC2A pigs come standard with two Apache Series C cups manufactured from high quality Reliathane and stainless steel brushes. Elements and brushes can be easily replaced to provide additional service.

Designed to traverse 1.5D bends.

Options:

- New mandrel possibility.
