ALL URETHANE

Purger II™ *(with Pencil Brush)*

3 - 12” (76-305mm)

The **Purger II™ with Pencil Brush** Series pig is a tough, all urethane pipeline pig that requires absolutely no maintenance and is an excellent pig for product evacuation and aggressive cleaning. The Purger II™ with Pencil Brush comes standard with a solid core. Its multi-disc design ensures that sealing elements are centered in the pipeline, resulting in consistent wear over time.
